

**Volume 1 No 2 2021**

**ISSN : 2745-5351**

The background of the cover is a photograph of a diverse group of students and a teacher sitting around a table, engaged in a collaborative learning activity. The image is overlaid with a large, semi-transparent blue diamond shape that frames the title. The overall aesthetic is clean and modern, with a focus on education and science.

**Journal of  
Science and  
Education**

Journal of Science and Education (JSE) is the open access and double-blind peer-reviewed journal which exclusively focuses on education. This journal is a part of strong commitment to education, which is expected to be the medium for the exchange of ideas, knowledge, information, and technology among experts and practitioners of education. It is published biannually, February and August by the CV Rezki Media.
