

ISSN: 2745 – 5351 (Online)

Journal of Science and Education (JSE) is the open access and double-blind peer-reviewed journal which exclusively focuses on education. This journal is a part of strong commitment to education, which is expected to be the medium for the exchange of ideas, knowledge, information, and technology among experts and practitioners of education. It is published biannually, **March** and **September**, by the CV Rezki Media. **Journal of Science and Education (JSE)** aims to facilitate and promote the inquiry into and dissemination of research results on **primary education, secondary education, higher education, teacher education, special education, adult education, non-formal education, and any new development and advancement** in the field of education.
