

Physical Education and Sports

Studies and Research

Physical Education and Sports: Studies and Research is an international peer reviewed medium for the publication of articles of interest to researchers in education and has rapidly become a major focal point for the publication of sports research from throughout the world. We welcome all of experts, practitioners, and academicians who are interested in physical education and sports to submit their articles. Articles in this journal discuss various current issues in physical education and sports. It is published biannually, April and October, by the [CV Rezki Media](#). Articles are all subject to peer review before being accepted for inclusion.
